The Bullet-Tin

Welcome to our new members in residence!

As the new members in residence, we would like to introduce ourselves. We are Fred & Connie Morche' and we are really excited about being allowed the opportunity to serve the Tri-County Rod & Gun Club.

Tri-County has always been our camping destination because of the beauty of the grounds and enjoy the people we meet there. My children learned proper handgun safety and are proficient shooters from coming to Tri-County. Now our grandchildren are following the family tradition. Fred has always lived in the Bonner Springs area and is now retired from heavy construction work. Connie grew up in Paola and still works part time in the heavy construction business. We are active members of Westside Family Church and the Christian Motorcyclists Association.

I know the next few weeks will be extremely busy for us as we get moved into our new home, but we want to make sure you know we are available to all of you. If you see us at the clubhouse, please stop by and visit so we can get to know you as well as you getting to know us. Please don't hesitate to contact us if there is something the grounds need.

Sign In Sheets
